COMMUNITY DEVELOPMENT BLOCK GRANT CENTRAL ARLINGTON NRSA ECONOMIC DEVELOPMENT PROJECTS

**MAY 23, 2007
COMMUNITY SERVICES DEPARTMENT**

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG)

What is CDBG?

The Community Development Block Grant Program is authorized under Title I of the Housing and Community Development Act of 1974, as amended. The **primary** objective of the CDBG program is the development of viable urban communities through the provision of decent housing, a suitable living environment, and expanded economic opportunity, principally for low-income persons and neighborhoods.

The City of Arlington receives CDBG funds from the U.S. Department of Housing and Urban Development (HUD). Each year the City seeks to maximize the benefits of these funds by partnering with local organizations to conduct eligible activities. This Request for Proposals (RFP) booklet will review the types of Economic Development Projects that are eligible for CDBG funding in Program Year 2006.

CDBG National Objectives

CDBG activities must qualify under a HUD **national** objective in order to be eligible to receive funding. The City of Arlington is responsible for assuring that activities undertaken in response to this Request for Proposal meet one of the following national objectives:

1. **Benefit low- and moderate-income persons:** The criteria for how an activity may be considered to benefit low- and moderate-income (LMI) persons are divided into the following subcategories:
 - **Area Benefit** -- Activities that meet the identified needs of LMI persons residing in an area where at least 51% of the residents are LMI;
 - **Limited Clientele** -- Activities that benefit a specific group of people, at least 51% of whom are LMI;
 - **Jobs** -- Activities that are located in a predominantly LMI neighborhood and serve the LMI residents, or involve facilities designed for use predominantly by LMI persons, or involve the employment of persons, the majority of whom are LMI.
2. **Aid in the prevention or elimination of slum or blight:** Expenditures under this category are limited to 30 percent of the City's expenditures.

CENTRAL ARLINGTON NEIGHBORHOOD REVITALIZATION STRATEGY AREA (NRSA)

This Request for Proposals focuses on economic development projects in the Central Arlington Neighborhood Revitalization Strategy Area (NRSA). The NRSA is a designated area approved by HUD which is identified as in need of comprehensive revitalization strategies. The development of NRSAs is considered to be the best tool for creating measurable impacts at the neighborhood level. The Central Arlington NRSA boundaries are as follows:

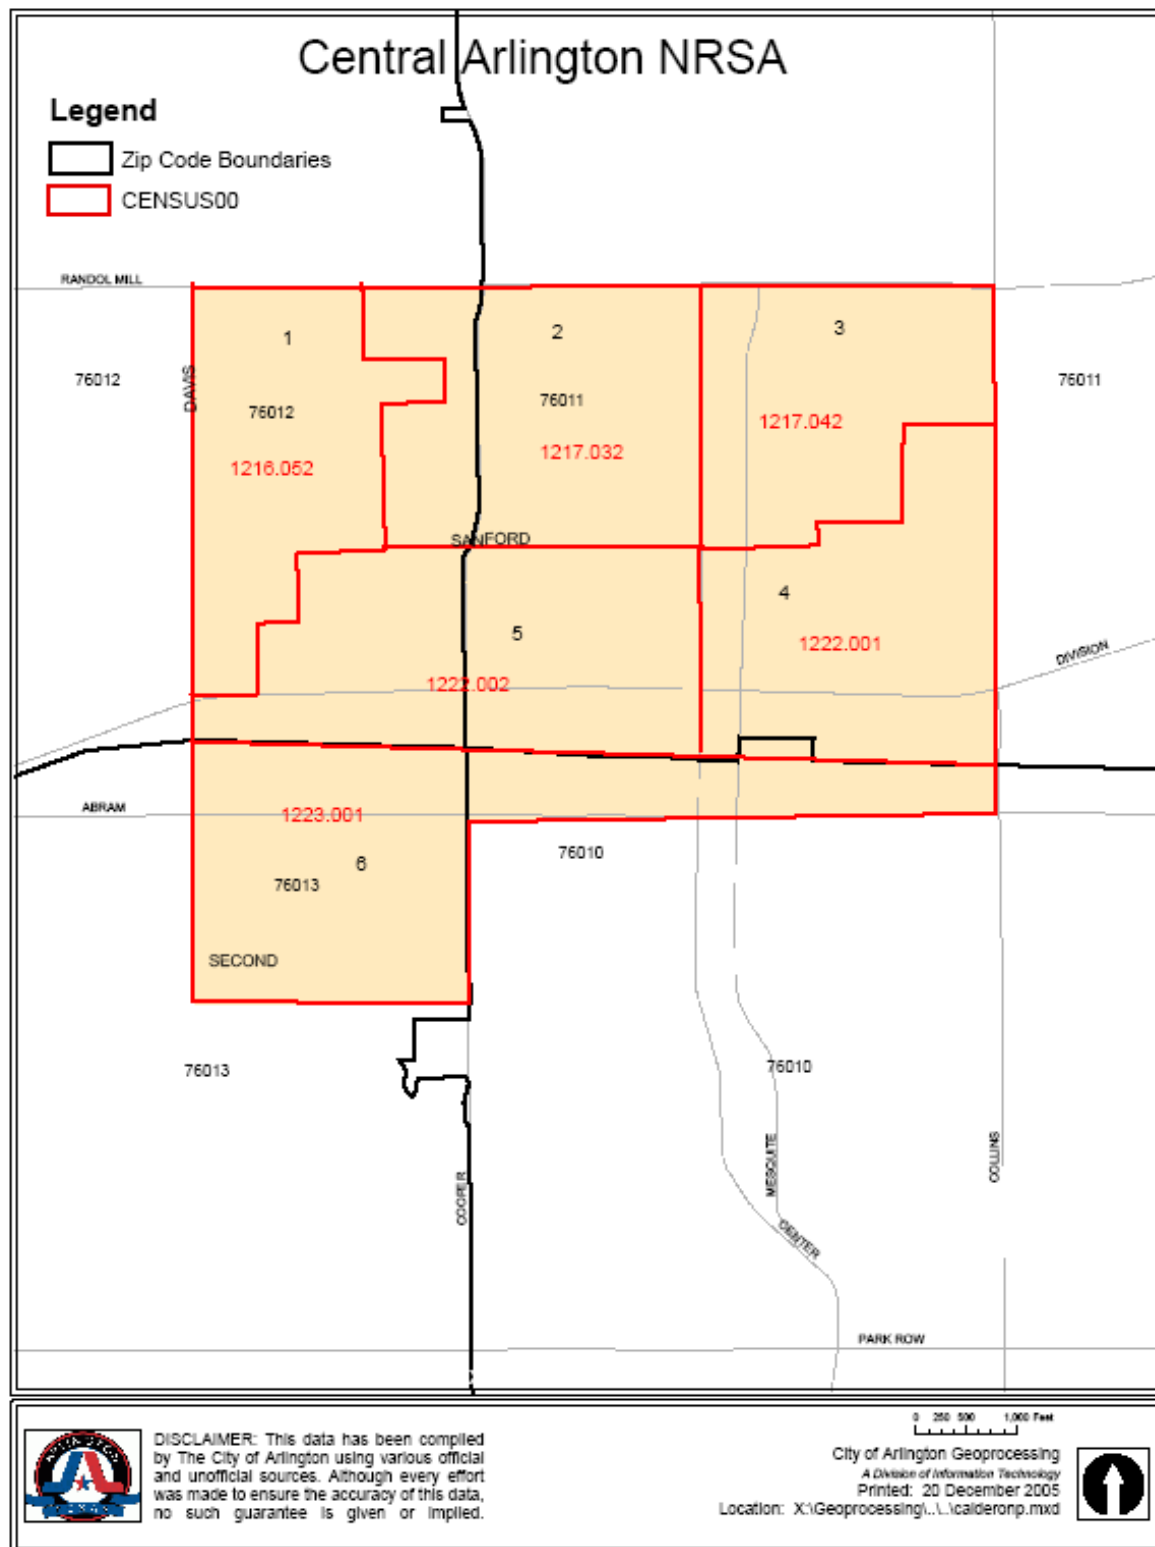

North: Randol Mill between Davis and Collins.

South: West Second between Davis and Cooper; and Abram between Cooper and Collins.

West: Davis between Randol Mill and West Second.

East: Collins between Randol Mill and Abram.

The Central Arlington NRSA is shown on the following map.

Eligible Applicants

Applicants may be Community Based Development Organizations (CBDO), non-profit organizations, local educational organizations that have an IRS-granted nonprofit status, and/or private, for-profit businesses. Non-profit and community-based organizations must have their 501(c)(3) status at time of application to receive funding through the City of Arlington.

Site Visits

City of Arlington may perform site visits during the review phase of this RFP process with applicants; therefore, your organization should be prepared for City of Arlington staff to tour your facility, observe current project activities, and interview and observe staff members involved in similar activities to the services in which you are requesting funding. Proper notice of any onsite visit will be provided.

Application

Organizations applying for funding through City of Arlington must complete the following application and include applicable documentation. Please read the application carefully and complete all sections relevant to your activity. Incomplete applications will not be considered for funding.

Leveraging Funds

It is assumed that limited CDBG funds cannot pay 100 percent of any project. The City of Arlington **highly recommends** that organizations provide leveraging funds. Leveraging fund sources include contributions derived from other available sources and the value of third party in-kind contributions, (i.e., volunteers, personnel, office space, materials, equipment and supplies).

Available Funds

Available CDBG funds for eligible economic development projects is \$500,000.

Application Review Process

The review process for proposals requesting CDBG funding consists of a review by staff, citizen review by the Central Arlington NRSA Steering Committee, review by the Community and Neighborhood Development Committee of the City Council, and City Council review and approval.

1. Staff review verifies that the proposal is an eligible CDBG activity as determined by HUD guidelines. If a proposal is determined to be ineligible, the applicant is informed and the proposal is withdrawn from consideration. In cases where there is uncertainty as to the proposal's eligibility, the City's HUD representative will be consulted for a decision. Staff will evaluate proposals based on information provided in the submitted application and will not request missing information.
2. The Central Arlington NRSA Steering Committee reviews the proposals. This committee evaluates the content of the proposals, determines the need for services, and ensures that services are not being provided by another entity. **The NRSA Steering Committee will not request missing information.** NRSA Steering Committee scores and rankings are presented to the City Council's Community and Neighborhood Development Committee along with the proposal.
3. The Community and Neighborhood Development Committee provides a mechanism by which community needs may be recognized, prioritized, and recommended to the City Council for funding. This committee also helps to facilitate the City Council's understanding and approval of CDBG programs and funding requirements.

Furthermore, the City reserves the right to accept or reject any or all proposals received because of this request, to negotiate with a qualified source, or cancel in part, or in its entirety this RFP if it is in the best interest of the City.
